

Sponsorship Levels

Corporate and individual sponsors are recognized in a variety of ways, including on the www.innovatingforcontinence.org website, and at that conference, both from the podium and on signage. Sponsors are listed in the printed conference Program, which is also in PDF format on the conference website.

The sponsorship levels for Innovating for Continence 2019 are:

Platinum Level - \$25,000 (includes 3 free registration and workshop fees for employees)

Gold Level - \$20,000 (includes 2 free registration and workshop fees for employees)

Silver Level - \$15,000 (includes 1 free registration and workshop fees for an employee)

Bronze Level - \$10,000 (includes 3 free workshop fees for employees)

Patron Level - \$5,000 (includes 1 free workshop for an employee)

Workshop Sponsor - \$3,000 (includes 1 free workshop for an employee)

Student Scholarship Award Sponsor - \$1,250 each (includes 1 free workshop for an employee)

General Speaker Sponsorship Fund - \$500

The Foundation realizes that due to budget timing, a company may only be able to commit to a sponsorship in early 2019. The Foundation will be happy to work with you on payment timing of your sponsorship.

Thank you.
